Chapter 3: Jesus, the Copycat Savior?

1. Have you ever been challenged by the claim that Jesus was a copycat deity?
2. Ancient mythological claims about deities contain many untruths, but they also contain the true, reasonable expectations people have about God. What are most common expectations of all prior mythologies that are true about Jesus?
3. Were you surprised by the lists in the "It's Not Jesus" section (pp. 40-42)? If so, how?
4. What new thing(s) did you learn from this chapter?
5. Was there anything that answered questions you previously had, or explained something in a new way that helped you understand something better?
6. What information will be most helpful for conversations with others?
7. What was most surprising/impactful to you? (fact/concept/quote?)
