Chapter 5: In the Fullness of Time

1. What, in your mind, is the most powerful or interesting aspect of the 'red zone' created by the spiritual, cultural, and prophetic fuses?
2. What would you say to someone who claims Jesus appears in this red zone only coincidentally?
3. The God of the Bible is described as all-powerful, all-loving, and all-knowing. If this is true, why is waiting on his timing in our lives often so difficult?
4. What specific aspects of our present culture do you think God is using to prepare the future coming of Jesus?
5. What new and/or surprising thing(s) did you learn in this chapter?
6. What information will be most helpful for conversations with others?
7. Any especially impactful/memorable information or quotes?
