MAMA BEAR APOLOGETICS: GUIDE TO SEXUALITY

by Hillary Morgan Ferrer w/ Amy Davison

Chapter 6: The Enemy's New Playbook

Main theme: The secular agenda is being advanced through repetition and the use of Christian-sounding words, and it's tricking our kids into adopting beliefs that are contrary to the Christian worldview.

1. Have you ever believed a story you'd heard many times, then later found out it wasn't true?
2. Why do you think co-opting words is so effective?
3. Have you found yourself adopting any of the linguistically thefted words on pp. 109-111? (harm/injustice/marriage/power, authority, and oppression)
4. What examples of articles that used buzzwords but didn't provide actual information have you seen recently?

Chapter 7: The Genderbread Person

Main theme: Kids are being taught to deny gender as an objective fact, leaving them confused about God's design, romantic attraction, and even their identity.

5. Describe ways you've seen the faulty logic of the Genderbread curriculum played out in culture.
6. If you've ever urged your son/daughter into a gender stereotype or discouraged him/her from doing something gender atypical, give an example and how it affected your child.
7. List some ways you can affirm your children in their sexuality, and how you can nurture their tendencies toward athleticism, leadership, or quiet contemplative work regardless of their gender.
